ANNUAL REPORT

20 22

PRESIDENT'S MESSAGE

The end of a year offers the opportunity to reflect and revel in all we accomplished in the previous year.

I am both humbled and amazed at the impact and momentum of this great organization. While I could go on for days about all we achieved in 2022, some notable highlights include: vacating the Austin Chapter Office for much-needed renovations, bringing the creative process for Infrastructure Magazine in-house, traveling to beautiful Mackinac Island, MI, for Management Conference, celebrating the historic \$10 billion annual letting with TxDOT, having a 100% success rate of AGC of Texas PAC-supported candidates winning their elections, setting a new donation record in support of the AGC of Texas scholarship program, and ending 2022 with an 88% market share on TxDOT work (up from 77% at the end of 2021!).

While this is just a brief overview of our year as an association, I could not be more proud and eternally grateful to the members who share their time and treasure with AGC of Texas to advocate for and advance the highway construction industry.

It has been an honor and a privilege to serve you as President of the AGC of Texas in 2022.

David Casteel, P.E.
AGC of Texas President
